SIMPLE PROGRAMS

Implementing loyalty, appreciation, and foot traffic programs is a strategic approach to boost revenue, demonstrate brand growth, and authentically execute a streamlined path to success.

PROGRAM SOLUTIONS, EASY TO EXECUTE

APPRECIATION

Gifting every guest and player a branded item and inviting them for personalization creates a memorable and unique experience that sets your brand apart. Engage recipients in personalized interactions that deepen their connection to their time spent.

LOYALTY

A loyalty program that offers personalized tokens and welcome gifts on demand makes new members and VIPs feel valued from the start. This immediate recognition fosters loyalty and strengthens their connection with your brand.

FOOT TRAFFIC

A foot traffic program encourages guests to explore retail spaces, galleries, and spas, enhancing their visit beyond the original plan. By offering exclusive deals and personalized experiences, it creates opportunities for discovery and elevates their overall experience.

PROGRAM SOLUTIONS, EASY TO EXECUTE

KEYGIFT

The KeyGift combines the functionality of traditional keycards with amenity programs, offering a sustainable, personalized key that opens doors and charges to rooms. This innovation streamlines operations and enhances the guest experience, all while fitting within budget constraints.

SPORTS & WELLNESS

Gift a personalized sports bag tag to guests participating in golf, tennis, pickleball, or wellness activities like massages and classes. This thoughtful gesture enhances their experience and provides a practical keepsake that reflects their involvement in your sports and wellness programs.

RETAIL & VIP

Implement a program where guests receive a complimentary personalized luggage tag with a purchase of a certain amount or a specific product. This offer adds value to their purchase and provides a memorable, custom touch that enhances their shopping experience.

EASY FULFILLMENT

Kick off with our all-in-one starter packages, featuring custom products, simple engraving technology, and full support for on-demand personalization.

Then, choose Jupiter for all your custom products and support needs, ensuring seamless integration and standout gifts with expert assistance every step of the way.
